Position description

Our team is growing and we are looking to hire a Graphic Designer Intern to join us and work on several of our existing and upcoming titles. As a Graphic Designer Intern you will be working in a dynamic and dedicated game team, where your talent, expertise and flair for what makes a great game, will be put to good use.

Tasks

- Create UI and in-game interface elements
- Design communication materials (Banners, flyers etc.)
- Collaborate with the team to create solid visual mock-ups
- Create visual elements for various websites

We are looking for

- A driven graphic designer
- Solid knowledge of the Adobe Suite
- Self-motivated and good interpersonal skills
- Positive attitude and an ability to receive feedback
- Passion for the video game industry

We offer

- Great work environment
- Flexible working hours
- Office located right in the middle of a vibrant city center
- Personal mentoring
